

He was the sun in the day
and the moon in the night.
He would always be the brightest
of the crowd and shine on the people
that surround him.
He once told me
'don't die with your music still in you'
But I can still hear
the music playing inside of him,
because he will live in our hearts forever.

Dankbaar gedenken wij

DE HEER

Peter Verhasselt

Wij danken iedereen
voor de geboden steun,
het troostend woord of stil gebaar.

Geboren te Bonheiden op 30 juli 1980
en in het UZ Brussel te Jette
van ons heengegaan op 21 januari 2022.
